

Affordable Child Care Matters.

To you, your family and the Department of Defense.

Military Child Care in Your Neighborhood-PLUS Program
MCCYN-PLUS is designed to bring more community
child care options to military families.

MCCYN Program Expands for More Child Care Options

MCCYN-PLUS is designed to expand the availability of affordable, quality child care in the community when on-installation care is unavailable.

- The military services offer fee assistance to help families afford child care through the MCCYN program.
- With the MCCYN-PLUS program, more providers can become qualified.
- MCCYN-PLUS is for licensed providers participating in their state's Quality Rating and Improvement System, or QRIS.
- The Department of Defense launched the MCCYN-PLUS initiative in 2019. Now the opportunity is expanding to other states and locations.
